WORK EXPERIENCE

Codesoft

Web Developer Intern

February 2024 - March 2024

- Contributed to multiple web development projects, ensuring responsive and user-friendly designs.
- Gained expertise in modern web technologies and best development practices.
- Recognized for performance and commitment to delivering high-quality solutions..

Cadenect Network Pvt Ltd

Web Developer Intern

June 2024 - July 2024

- Designed and implemented responsive web components for various projects.
- Enhanced user experience by integrating modern UI/UX principles.
- Achieved recognition for dedication and strong technical skills during the internship.

PROJECTS

Portfolio Website

- Created a visually appealing and responsive portfolio using HTML, CSS, and JavaScript to showcase projects and skills.

Gym Website Frontend

- Developed a responsive and engaging frontend for a gym website using HTML, CSS, and JavaScript.

Food Delivery App [🔗](#)

- **Tech Stack:** React.js, Redux, Context API, HTML, CSS, JavaScript
- Developed a fully responsive **food delivery web app** using **React.js**. Implemented **Redux** for global state management and **Context API** for handling user authentication and cart functionality. The app provides a smooth user experience with dynamic UI updates and a well-structured component architecture.
- Currently, the project is frontend-only, but future plans include integrating a **backend using Spring Boot & MySQL** for user authentication, order management, and real-time updates.
